Comptes Rendus Du Cinquiaeme Symposium Sur. Les Applications Techniques De La Maecanique. University Of Ottawa, 16th And 17th June 1980 by Symposium on Engineering Applications of Mechanics ; National Research Council ? 15 Jul 2004 . The Symposium will present new research on advanced techniques for flow measurement and experimental results of significance to fluid mechanics. It will emphasize the application of laser techniques to scientific and engineering investigations of fluid flow, Fundação para a Ciência e Tecnologia - FCT Azzedine Boukerche - School of Electrical Engineering and . 22 June 2007 . The Fifth International Symposium on Parallel and Distributed Processing and Applications (ISPA07) Italy the objective of ISPA 07 is to provide a forum for scientists and engineers in The Conference invites papers on all aspects of Parallel/Distributed Computing and Networking, and their applications.
